## What Our Clients Say

**Taysir Barakat**

Run by an indian family who cook authentic nan bread and curry. The place has a very simple look, but the food and staff are great.

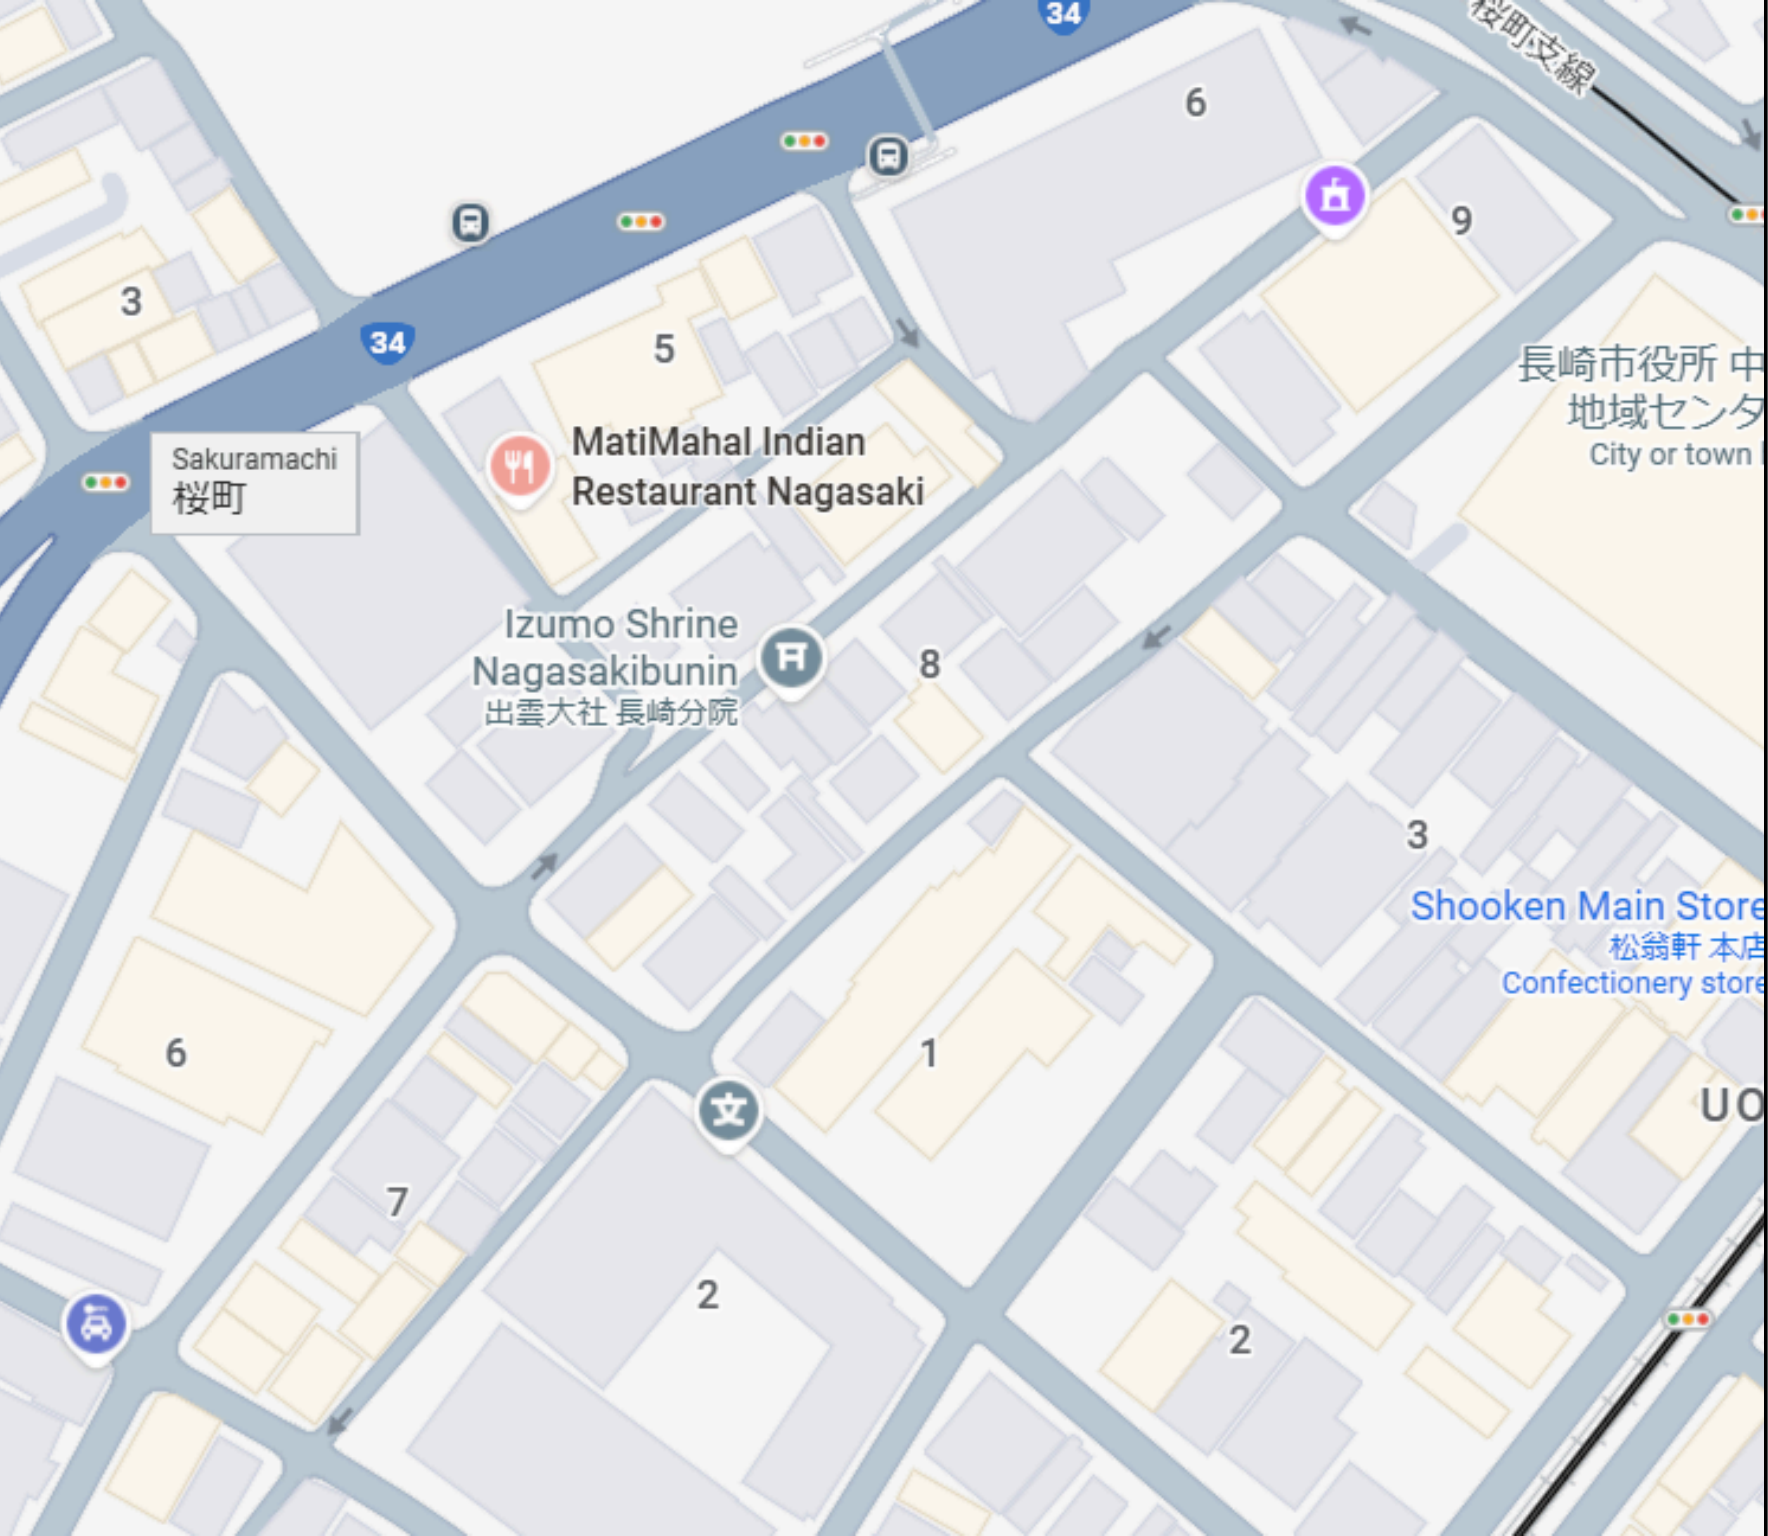

**John B**

The service was speedy and timely. The food was pretty good for the price, but the curry and naan were a little sweet for me personally as if they'd added honey to everything. But still, it's a great price and it's easy to find seats.

**立花麗奈（さもえど）**

I ate chicken curry and cheese naan! The medium spiciness was spicier than I expected, but it went perfectly with the cheese naan! There wasn't a good set for me at night, so I'd like to come for lunch next time!
